ABOUT APRANIK

Apranik Technology Group embodies a rich legacy of achievements, shaped by a team of skilled professionals in the field of computer services, spanning from 1994 to the present day.

What began as a modest office dedicated to retail, repair, and provision of computers has evolved into a multifaceted organization offering comprehensive training courses on computer systems.

- This profile underscores Apranik Technology Group's commitment to innovation, client satisfaction, and technological excellence.

HISTORICAL MILESTONE

2000

Sat Center for Internet Services In the year 2000, a pivotal chapter unfolded with the inception of Sat Center for Internet Services. This venture, strategically located on Salim Street, operated in parallel with Rozh Computer Center, marking a phase of sustained growth and expansion.

NELSON MANDELA

HISTORICAL MILESTONE

2009

Rozhtech Apple Services A significant milestone in 2009 involved elevating operational standards by rebranding Rozh Computer Center to Rozhtech Apple Services, complemented by Microsoft Services. This strategic move aligned with evolving client demands and market trends, especially in the realm of Apple products.

SUCCESS IS A PROCESS... DURING THAT JOURNEY SOMETIMES THERE ARE STONES THROWN AT YOU, AND YOU CONVERT THEM INTO MILESTONES.

occurred in 2014. Operations transitioned to specialized Information Technology services, leading to the establishment of Rozh Soft. The company focuses on providing state-of-the-art technological solutions for diverse sectors, encompassing commercial, medical, scientific, educational, industrial, and personal domains. The proprietary RBMS (Rozhsoft Business Management System) was developed, drawing upon international resources.

HISTORICAL MILESTONE

2016

Pioneering Odoo ERP Implementation 2016 marked a new era as Apranik pioneered the implementation of the Odoo ERP system....

for the first time in Iraq, collaborating with Aral Odoo Partner. Subsequently, in 2017, the company secured authorization to operate as agents of Odoo ERP, solidifying commitment to delivering cutting-edge enterprise resource planning solutions.

HISTORICAL MILESTONE

2019

Apranik Software Technology Responding to flourishing business and an expanding clientele, Apranik Technology Group underwent a strategic evolution in 2019. Apranik Software Technology was established as a dedicated entity in the realm of software technology. Authorization from Odoo Company led to official recognition as the exclusive partner of Odoo in Iraq and the Kurdistan region. Presently, the company serves 660 active enterprise users and has successfully developed over 30 applications tailored for diverse industries.....

including hospitals, gas stations, factories real estate agencies, transportation companies distribution agencies, hotels, residency compounds, and tourism companies.

VISION

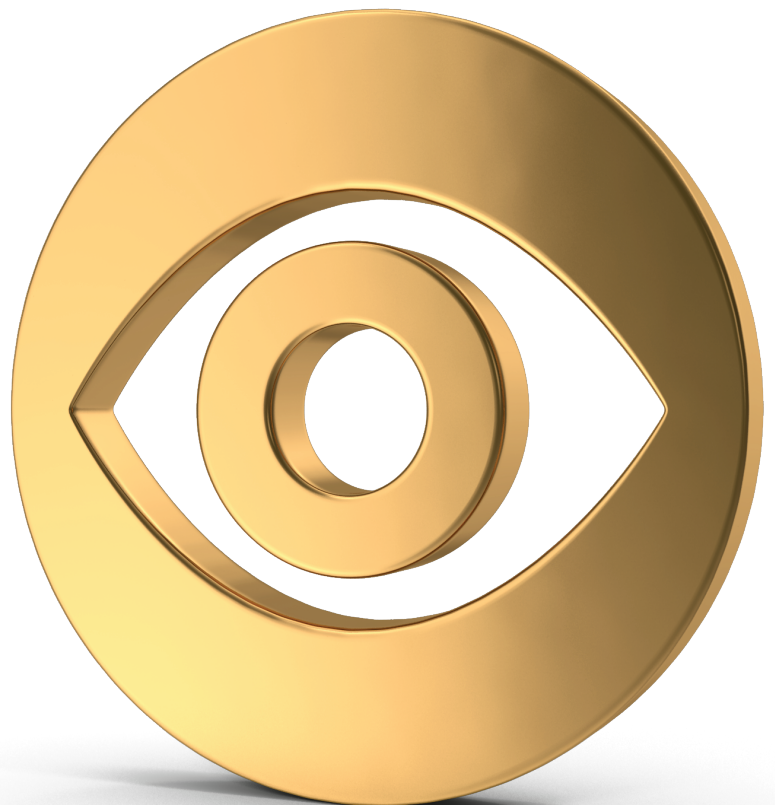

At Apranik, our vision is to empower businesses worldwide by providing innovative, scalable ERP solutions that drive efficiency and sustainable growth.

We aim to be the leading force in transforming enterprise operations through technology enabling our clients to achieve unprecedented levels of performance and competitive advantage.

High Availability

We believe in client satisfaction, and it is our top priority. Our principles make us work hard and follow a path of progress every day.

Today, we are one of the leading software companies in Iraq. But we did not start from where we are today, we started from the basics and kept on improving every day.

It is the continuous feedback of our clients that encourages us to be better than we were yesterday.

We are a team of professionals who believe in moving ahead of the pace of others. Keeping yesterday in mind, we plan our tomorrow and work accordingly in the present.

Setting goals and following them is what we do.
